JANIS MEMORANDUM #59

5 September 1944

MEMORANDUM FOR: Contributors to JANIS 85.

Subject: Spelling of Place Names, JANIS 85.

Reference: Memorandum #51, 12 July 1944, par. 4.

1. The place names on blue-line work map have been discovered to be at variance with AMS series L571 scale 1:250,000 which are the standard for JANIS 85.

2. A reprint of work map with corrected names (and printed in black) will be distributed on or about 15 September 1944.

3. Attention is invited to the fact that the starting point for coastal description is Ōminato in the southwestern part of the map area $136^{\circ} 45'$, $34^{\circ} 35'$ in Ise-Wan, not the Ominato in Mutsu-wan in northern Honshū.

FOR THE JOINT INTELLIGENCE STUDY PUBLISHING BOARD:
